

Confirm-IT 2™ Service

Confirm-IT2™ is a powerful appointment confirmation system created for the Service Industry that allows you to grow your bottom line by easily automating customer appointment notifications!

Key Benefits At-A-Glance:

- ✓ Reduces lost revenue and wasted time due to customer no shows or late arrivals for appointments.
- ✓ Frees up your staff from the mundane work of manual reminder calls.
- ✓ Intuitive and flexible. Notify customers by phone, cell, email, and/or text message, whenever you want!
- ✓ A turnkey solution including all hardware and software. Analog and VoIP/SIP versions. The VoIP/SIP version can be purchased as a Software Only virtualizable system. Hosted option also available.
- ✓ Appointment information is obtained from your existing scheduling system. Excel, Access, CSV, and text files can be imported automatically or manually.
- ✓ For more information see <http://confirm-it2.ctlinc.com>.
